VOCAL EDITIONS: MASTER USE & SYNC LICENSE AGREEMENT

Effective Date: April 27, 2026

This License Agreement ("Agreement") is a legal contract between the individual or entity purchasing the assets ("Licensee") and **BeatsLocker** ("Licensor"). By downloading or using the "Vocal Edition" assets, including but not limited to full tracks, instrumentals, and stems, you agree to be bound by the following terms.

1. GRANT OF LICENSE

Upon purchase/download, Licensor grants Licensee a non-exclusive, worldwide, perpetual right to use the musical composition and sound recording (collectively, the "Work") in synchronisation with visual media projects.

Authorized Uses:

- YouTube, TikTok, Instagram, and social media content (Monetization allowed).
- Independent films, student projects, and film festival entries.
- Podcasts and background atmosphere for digital broadcasts.
- Personal and corporate presentations.

2. STEMS & EDITING RIGHTS

The "Vocal Edition" includes Stems (individual audio layers). Licensee is permitted to:

- Edit, loop, and cut the Work to fit the duration of the visual project.
- Mix individual stems (e.g., removing vocals or drums) to better suit dialogue or scene requirements.
- Layer the Work with other audio elements for sound design purposes.

3. AI DISCLOSURE & OWNERSHIP

Licensee acknowledges that the Work was created using a combination of human lyrical authorship and AI-assisted production tools (Suno AI).

- **Human Ownership:** All lyrics and creative direction are owned by BeatsLocker.

- **Clearance:** Licensor warrants that they hold the necessary commercial rights from the AI platform to sub-license this music to you.

4. RESTRICTIONS

Licensee **MAY NOT**:

- Resell, trade, or distribute the Work as a standalone audio file (e.g., you cannot upload the song to Spotify under your own name).
- Use the Work in a way that is defamatory, illegal, or promotes hate speech.
- Claim authorship of the lyrics or composition.

5. PUBLIC PERFORMANCE & SYNC

For large-scale "Broadcast" use (Network TV, Radio, Theatrical Feature Films), Licensee must contact **beatslocker.com** for a separate Sync License supplement. For independent creators and social media influencers, this agreement serves as your full clearance.
